### Introduction of my book:

This is a non-fiction poem novel that I have worked on and created myself. The book writing was a pretty big project for me; it is one of my first times writing a book. The purpose of this project is to introduce my poem writing and picture sketches to match the messages in my poems. There is a lot of interesting poems that you might like, thanks for being a fan and showing me love. I would like to thank God for giving me the strength and knowledge to write this book and the poems. It was very hard; it wasn't easy, and basically nothing really came easy for me. I work very hard for what I want, and I put hard work and effort into it. Please read it and enjoy it and make sure you invest in it. Thank you, and God bless :).

Topic: A man

A man is stronger at times and weak.  
A man has a big ego and likes to hide  
His feelings and thoughts inside I feel  
That he should let them out don't run  
And hide the tears. Don't run and hide  
The years that you put into a relationship  
That your not owning up to or ready for  
Don't be quick to let go stick with the one  
That you love follow what your heart says.  
That's what's makes you a better man and  
Person. You go from a baby to childhood,  
To an young adult, to a man.

Topic: A women

A women is thought and raised  
By a women who makes her a  
Women. She follows into her  
Mothers foot steps to reach,  
Search for her goals that she  
Has to accomplish never let  
Anyone get in the way never  
Listen to anything negative  
That others have to say.  
What doesn't kill you make  
You stronger it makes you  
A harder women. A women  
Becomes a women very early  
And mature over the years  
Of her human nature experience.

Topic: Body

My body is a temple that god has created  
It's only given to special people who deserve  
It.Beautiful body art in the mirror as I take  
My picture snap the camera goes.  
Your body is an art that you can use to send  
A message in a picture.Cover up the naked  
Body save it for your godly prince that god  
Has in stored for you.

Topic: Bullies

The world of bullies and the beast. bullies never win anything they think that they have the upper hand but they actually don't. You should know, bullies hurt. It starts with one word. one word you blurt like fat, ugly, worthless. These are the words they hear. Did you know your their biggest fear day by day day torment of bullies.

Topic: Butterfly

Go on ahead and fly butterfly  
Some of them will fly in pairs,  
while others remain alone,  
There are some that appear quite small,  
And yet there are some that seem full grown.  
I have been told that they don't live long,  
Most only live several days, It is such a  
wonder of nature, As I watch as a new one stays.  
They love to grace our gardens, We love to  
watch them go by, I am so lucky to have  
them around me, As they are flying low and high.  
There goes another one, It stopped to delight me again,  
Always lifting my spirits, As only a butterfly can.

Topic: Caring Heart

A caring heart that love so deep  
But still worn out and broken  
Into pieces can you fix the puzzle?  
Right to match up to the amount  
Of full blown kisses to love  
Again and have a caring heart  
To share with others not everyone  
Have a caring heart there are some  
Evil hearts laying around that needs  
To be brought back to life.

Topic: Cars

Driving around in newyork city  
In a expensive car. Let's go to  
The car shop. As I open the door  
To get into the drivers seat I  
Put on the seat blet and fix the seat.  
As I look in the mirrors put the key  
in to start the car my wheels go round  
and round as I pull off. Cars almost  
everybody has one, but what little  
thought we give them. We drive our  
cars to work and school but even  
then we don't give our cars much thought.  
You go from one exteme to the other,  
one guy might pay about \$20,000 for a  
car, while another may pay \$150,000 for a car.  
Cars are an earthly object, yet we all see  
people that go overboard with their cars.

Topic: Clothes

A lady is not what she wears its what  
She knows. I really don't care about  
Clothes that I wear because it's  
Meanless to me. The hat I was married in,  
will it do? White, broad, fake flowers in  
a tiny array. It's old-fashioned, as stylish  
as a bedbug, but is suits to die in something  
nostalgic. And I'll take my painting shirt  
washed over and over of course spotted  
with every yellow kitchen I've painted.  
God, you don't mind if I bring all my kitchens?  
They hold the family laughter and the soup.  
For a bra need we mention it, the padded black  
one that my lover demeaned when I took it off.  
He said, "Where'd it all go?" And I'll take  
the maternity skirt of my ninth month,  
a window for the love-belly that let each  
baby pop out like an apple, the water  
breaking in the restaurant, making a noisy house  
I'd like to die in. For underpants I'll pick white cotton,  
the briefs of my childhood, for it was my mother's dictum  
that nice girls wore only white cotton. If my mother had  
lived to see it she would have put a WANTED sign up in  
the post office for the black, the red, the blue I've worn.  
Still, it would be perfectly fine with me to die like a nice girl  
smelling of Clorox and ammonia. Being sixteen in the pants  
I would die full of questions.

Topic: Closed Door

I closed the door from all of the pain  
So I feel as if there no more rain I  
keep moving forward, opening new  
doors, and doing new things, because  
we're curious and curiosity keeps leading  
us down new paths. Its good to Follow  
your joyful bliss and the universe will open  
doors where there were only walls.

*A closed door...*

Topic: Eyes

Keep your eyes on the prize it  
Maybe a surprise for mine eyes  
Have seen the salvation of the  
Victorious message of silance  
That it has revealed to me.open  
Your eyes to the beauty around  
You. Open your mind to the  
Wondours of life.open your heart  
To those who love you and always  
Be true to yourself. It is how you  
See yourself and not how others  
Look at you that truly matters let  
Your soul shine and your eyes  
Listen.

Topic: Flowers

Flowers is an encouragement when  
Your sick and down. Flowers are  
Giving at most happiest moments  
Like weddings. flowers are a beautiful  
Expression of nature and they smell  
Good. Have you ever heard of a flower  
that never needs Water, soil, or sunshine?  
A flower that stays in full bloom through  
summer and winter through good times  
and bad a flower.

Topic: Hair

Hair so long and pretty looking like  
An indina beauty. Yes I am my hair  
We are both natural beautiful and  
Strong we have both suffered at the  
Hands of theses shampoo and  
Conditions also the differnt styles  
Like braids, curls, weave, dread locks.  
Its just nature on earth to keep  
Hair mantained and together so  
That us women can look and feel  
As beautiful as ever.

Topic:In The Dark

Whatever goes on in the dark will always come to the light for nothing is ever hidden in the dark which there is no light for you to see anything in the dark there's thinking and relaxation in the dark where there is secrets that cannot be reveal or seen or heard the best darkest secret can never be covered up because no one can ever keep any secrets someone will always kiss and tell about what went on in the dark. The darkest pitch black room with the wind blowing by the fan to keep air circulation and room tempeture. When you look outside of the window you can see the dark, dark moon shining light of wisdom with the sliver bright light and the sun resigns bleeds out the vestiges remnants of the day I Found a new light All is alright Until fiends come again. A light in the dark No will No strength Only fear for survival Accompanied by blissful madness in the dark.

Topic: The lonely road

The lonely road that I walk or drive  
I feel that it will be alright as I walk  
I'm venting off issues walking a  
Lonely road shows that your no  
Longer afraid or scared of anything  
Or anybody. You don't have to live  
In fear anymore because your strong  
Enough to walk that path by yourself.  
You come in the world by yourself  
And you also die by yourself so never,  
Say never remember that nothing is  
Forever so go ahead walk the lonely  
Road.

Topic: Medication

Oops I forgot to take my medication today  
Will I go into a panic attack or would I go  
Crazy. I called the druggist with a perscription  
Now I am on medication and stare into space  
in meditation I'm so high should take up a viation  
Like staying home being on vacation I guess i'll  
fall from gravitation. When i stop taking this medication  
They call it an antideprissent. It makes me feel like  
an adolescent If I felt any less anxiety I'd surely reach  
notoriety Time again for my medication Because i  
feel the pull of gravitation.

Topic: Mind

I have the mind set on what i  
Want to accomplish in life and  
What I would like to do with  
Myself. For a mind is a terrible  
Thing to waste use your brain  
Keep on thinking the glorious  
Ideas that you have which is  
Called food for thought.Mind  
Body and soul that when you  
Have become whole.it' s just a  
state of mind,i tell myself  
hoping to erase these thoughts  
of fear that hinges on the edge  
of my happiness; Trapped inside  
my own mind,eclipsed by my fear,  
tears weep without a choice hoping to  
vanquish this struggle within.

Topic: Money

Money is the root of all evil  
Money is just motivation to  
Having your bills paid.  
But I certainly don't act that way  
I worry about money day and night  
I go to work to a job I hate  
All so I can earn money  
Just so I can pay the bills  
Money is my master  
My life conforms to what money wants  
So I can have enough to survive  
As long as money is my driving force  
I will never do what I love  
I will never serve the world  
Because I'm too selfish too notice  
Poor people are obsessed with money  
Rich people are obsessed with money  
Middle class people are obsessed with money  
So many people, so many reasons to be obsessed  
Mostly for survival, some for power  
Some for experience, some for pleasure  
Americans to spend, the Chinese to save  
Some countries to finance their wars  
Individuals, families, organizations  
Businesses, non-profits and governments  
Have become debtors with money as their slave  
Because of the love of money  
Once I had wanted to serve the world  
I didn't even want or need much money  
So focused on serving the masses  
I was happy and elated as could be  
Until I ran out of money  
Until the bills I couldn't pay  
And my family I could not support  
Then money my purpose became  
The more I focused on money

The less money I had  
I worried, I fretted, I was paralyzed in fear  
I tried and I tried to have enough to get by  
I went to school so I could earn money  
I started businesses to earn money  
I went into sales to earn money  
Because I doubted I could earn very much  
I dropped what I loved  
Because I had no money  
After years I returned to my passion  
But my passion was still ruled by money  
Every action I took was laced  
With the subtle desire for money  
Every person I spoke with  
Every chap I attempted to convince  
All had to deal with my needs for money  
They felt my neediness, my desire for worth  
My desire to feel good about myself  
My worry for survival of not having enough  
After a decade of futility and emptiness  
I slowly began to wake up  
To the scripture I had heard long ago  
After I had gained some worth in myself  
To this day I can still feel my need for money  
The need has not died down completely  
But my desire to serve has returned  
My desire to contribute to humanity  
Every day I attempt to quell my money addiction  
Knowing I will always have enough  
Knowing I can be wealthy without needing to be  
Because having money is not the purpose of life  
You and I both know that love and contributing to humanity  
Is the true reason you and I are here  
But too often you and I don't act like it  
Our need for money masks our desire to serve  
Only with constant awareness of vigilance  
Can I sense my subtle need creep up  
When I go out for dinner, when I have to spend money  
When the bills require my attention  
When the debt lies heavy on my shoulders  
When it's time to buy a gift  
Every time I receive a paycheck  
Every year when the taxes I pay  
Every time I look at my bank statement  
Every time I attempt to sell  
Every prospect that I interact with

My awareness must keep me in line  
Because in all these moments  
I still notice my subtle need  
Creeping up from the pit of my stomach  
To divert my attention to it  
So I breathe deeply and regain my focus  
Of why I am here on this earth  
To love and to serve my fellow man  
And to practice every day in spite of my weakness.

Topic: Music

Music is nice music is power  
Music helps your mood swings  
If your in a bad mood theres  
Always that sweet song thats  
In your ear that you hear the  
Puts that kool aid smile upon  
Your face that's the smile of  
Grace and willderness of  
A sinsational voice that you  
Hear loud and clear to deliver  
That message of how you was  
Feeling. Then once you turn  
Off your radio your cool  
Clam and collected. Music  
Made a connection with your  
Heart and ear so your no  
Longer feeling weak. It  
Destroyed your angry element  
Mood that you were in now  
Let's thank god for music.

Topic: Nails

My nails are nice and sharp I had them  
Filed nice into pointy style.my polish  
Is glowing as I move my hands.  
Winter will think back to your lit harvest  
For which there is no help, and the seed  
Of eloquence will open its wings  
When you are gone.But at this moment  
When the nails are kissing the fingers  
good-bye and my only Chance is bleeding  
from me,When my one chance is bleeding,  
For speaking either truth or comfort  
I have no more tongue than a wound.

Topic: paradise

Would you like to live your life in paradise?  
Great news has been revealed that paradise  
Is a holy land of happiness and joy, paradise  
Is a perfect island. what is paradise?  
Once in a dream I saw the flowers That bud  
and bloom in Paradise; More fair they are  
than waking eyes Have seen in all this world of ours.

Topic: Profits

Make profits that make sense  
A man must be big enough to  
admit his mistakes, smart  
enough to profit from them,  
and strong enough to correct them.  
Life is divided into three terms  
that which was, which is, and  
which will be. Let us learn from  
the past to profit by the present,  
and from the present to live better  
in the future.

**PROFIT**

A 3D rendered graphic featuring the word "PROFIT" in bold, green, block letters. A thick, green arrow originates from the top of the letter 'P' and extends diagonally upwards and to the right, ending above the letter 'T'. The entire graphic is set against a plain white background with a subtle drop shadow beneath the letters and arrow.

Topic: School

School my favorite place to learn and  
Study where there's notebooks pens  
And pencils desk tables and lunch room.  
I'd like to think myself as normal, Just an  
ordinary girl. But I'm not into butterflies,  
I don't do ballet twirls. I hate wearing make-up,  
No eye shadow or blush. I don't have time in a  
morning, As I'm always in a rush. I don't wear  
fancy underwear, Especially not a thong.  
For all the girls who do out there, I think it's  
Kind of wrong. I don't spend hours on the phone,  
Just simply chatting away. I only need to take five  
minutes, On my hair everyday. My room is not spotless,  
My room is not a tip. I don't put powder on my nose,  
I don't give teachers lip. I don't go after every boy,  
That I come across. I don't think I'm better than everyone,  
Don't think that I'm the boss. I don't walk with my breasts,  
Held high up in the air. I don't try to shake my bottom,  
Or twirl and flick my hair. I just want to get through,  
These taunting years of school. I don't care what you  
think of me, I don't care if I'm not 'cool'. And I do have a  
good time, A laugh with all my friends. I balance it with learning,  
This is my beginning, not my end.

Topic: Selfish

Selfish people makes you selfish  
Why share with others who have  
Never shared with you. Selfishness  
Has brushed off on me I can't help  
It, its not my fault of being a fall  
Victim of selfish. Manifest plainness,  
Embrace simplicity, Reduce selfishness,  
Have few desires. Selfishness is not  
living as one wishes to live, it is  
asking others to live as one  
wishes to live. Men are not against  
you; they are merely for themselves  
Selfishness, not love, is the actuating  
motive of the gallant. Forgiveness is  
almost a selfish act because of its  
immense benefits to the one who forgives.

Topic: Shoes

If the shoes fits then wear it if it dont  
Well I guess you have to find your  
Shoe size. Make sure you walk in  
Those shoes very well they might  
Change your life I believe the price  
Is right for you to walk in them  
Walk with confience and be strong  
Even if they are high heels always  
Remember that you put new shoes  
On and it brought you love an happiness  
But if those shoes bring you bad luck take  
Them back to the shoe store where  
They belong.

Topic: Shower

As I cut on the shower and run  
The water it sounds like an ocean  
Park of showers of blessings of  
Restoration. I'm singing in the  
Shower as I was my hair scrub  
My whole body with soap.  
Showers of joys and glorious  
Wonders I can feel it all over  
Me as I grab the dry towel to  
Dry off. Wow what a triumph  
Hot shower that was its nothing  
More and meaningful of a shower  
To take daily and come out smelling  
Like a rose shower.

Topic: Smile

I smile, I laugh, I cry, I hurt.  
Sometimes a smile could  
Hide so many tears that you  
Have cried. Above the clouds  
there's a bright blue sky  
So make your tears a smile.  
As you travel on life's way  
With its many ups and downs  
Remember it's quite true to say  
One smile is worth a dozen frowns.  
Among the world's expensive things  
A smile is very cheap  
And when you give a smile away,  
You get one back to keep.  
Happiness comes at times to all  
But sadness comes unbidden  
And sometimes a few tears must fall  
Among the laughter hidden.  
So when friends have sadness on their face  
And troubles round them piled  
The world will seem a better place  
And all because you smiled.

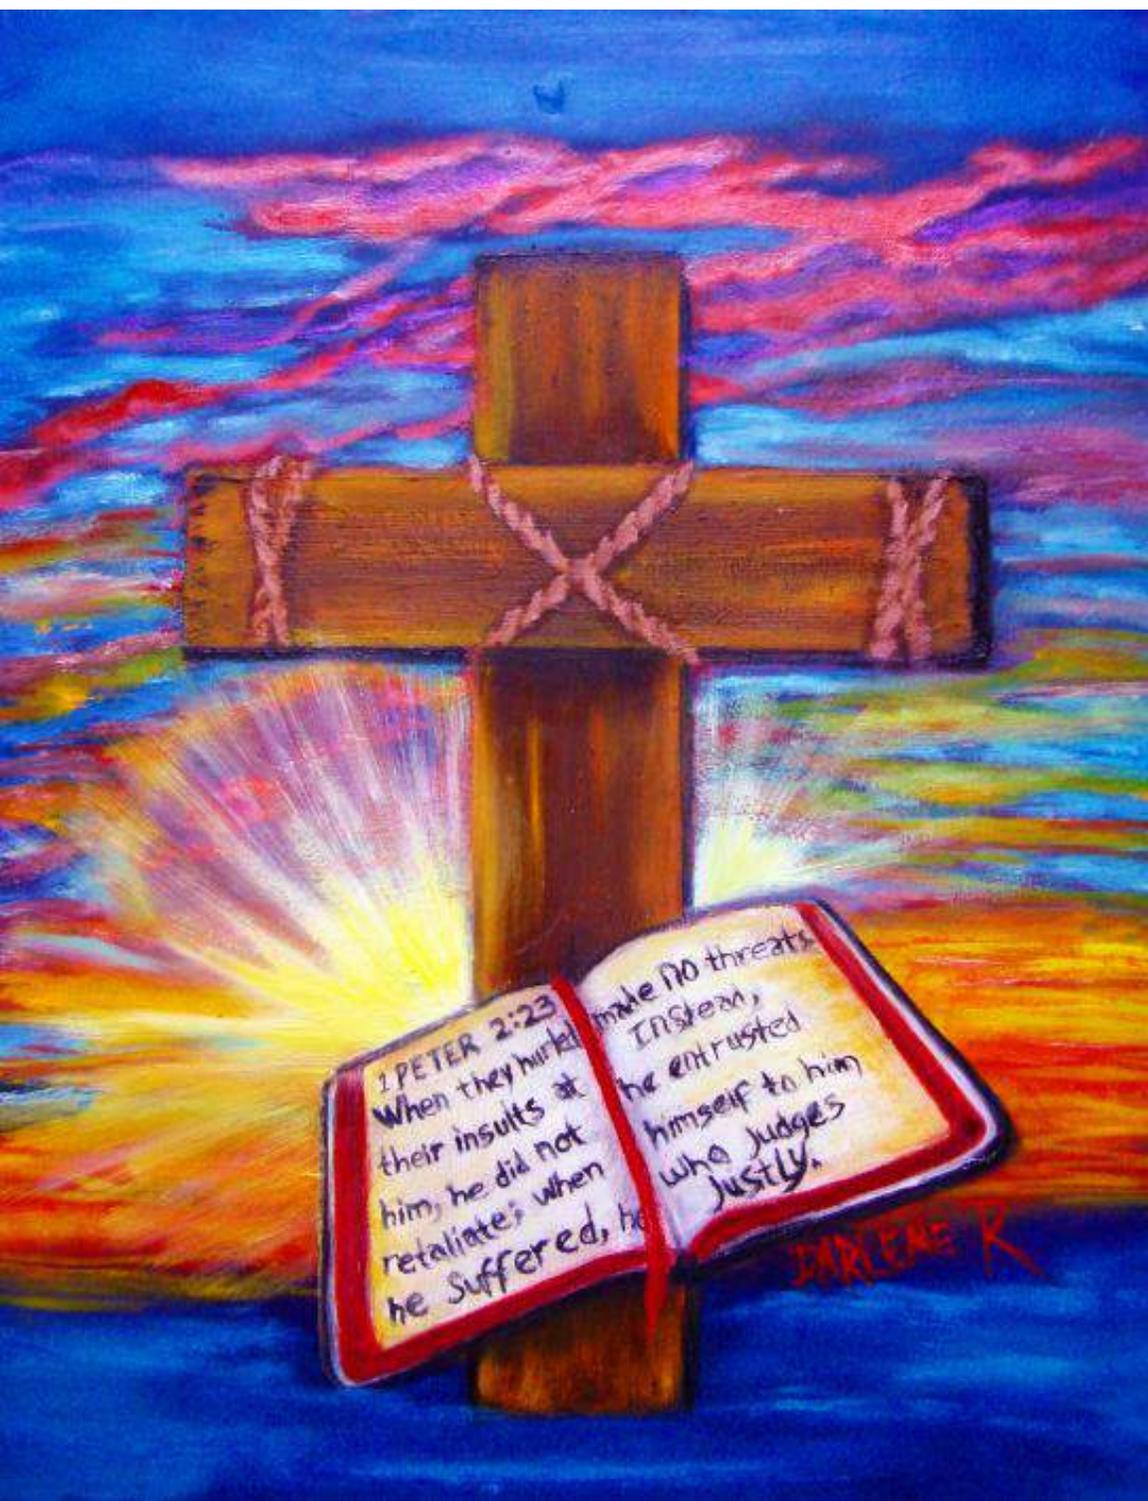

Topic: The Bridge

If the bridge is burned why should I cross it  
Again just leave it the way it is.  
Why continue to keep on going back and  
Forth with the same thing that is going to be  
The same outcome as it was before.  
Just don't jump off of it into the sea make  
Sure that your mission is worth the while  
And complete. Never forget the bridge  
Who have brought you across forgive  
And don't forget the cost and the choice  
That you made for the price that had to  
Be paid just to get over the bridge.

Topic: The cross

The righteous cross represents  
The father the son and the  
Holy ghost. Three words i  
Feel like I have something  
In common with the cross  
From which my name start  
With three J's.  
Janessa Jemealla Jordan  
Could it be that I have a  
Special bond and sensational  
Connection with the cross.  
Naturally I feel that I am  
Jesus angle. The cross is  
Such a powerful weapon that  
Heals and protects.

1 PETER 2:23  
When they hurled  
their insults at  
him, he did not  
retaliate; when  
he suffered, he  
made no threats.  
Instead,  
he entrusted  
himself to him  
who judges  
justly.

Topic: The Engagement Ring

The engagement ring of a promise to  
Be there through sickness and health  
Till death do us apart. My sparkling  
Diamond ring shining so bright  
Dance like no one is watching  
Sing like no one is listening  
Love like you've never been hurt  
Live like it's Heaven on Earth  
A dream that is dreamed by two  
Will always come true. Friendship  
and love, Laughter and caring  
May these keep on growing  
As you keep on sharing the  
Engagement that we have.

Topic: The Roof

The roof is on fire we don't need  
Any water so just let it burn. Im  
Up on the roof looking at the  
Clouds I see the moon I see  
The stars it looks like a gorious  
Night of paradise.as the rain  
Comes down it feels like a  
Sparkling of showers of Blessings.  
Each person sweeps the snow before  
his own door, and never minds the  
frost on another family's roof.

Topic: there's other fishes in the sea

There's other fishes in the sea but not one  
Quit like me. Dig deep into the ocean and  
Catch a real good one. Don't be upset over  
what you've lost. This proverb is often  
used as a consolation for losing a girlfriend  
or a boyfriend, and has been traced back  
But I wouldn't want to be reminded of an  
Old fish that I no longer want.

Topic: Time

Time is on the making for better  
Things to happen. Wait for the  
The time the clock is ticking  
Tick tock,tick tock don't waste  
Your time on situations that  
Doesn't really matter at the  
Moment. Wake up and smell  
The coffee don't pay attention  
To everything that you see,or  
Hear because it's all just make  
Believe something that sounds  
To good to be true don't fall into  
The trap hold back. Hold your  
Head up high and wait for your time  
To come to shine like a shining  
Armor. Always remember to don't  
Be in a rush because everything  
Takes time. People never remember  
The million times you've helped them,  
Only the one time you don't.

A wine glass with and expensive  
Taste of rich champagne. My glass  
Is so full, full of happiness full of  
Joy when my drink is finished it  
Will be time for another refill of  
My drink. I'm feeling awesome  
After I have received my last wine  
Glass of glorious drink in a genuine  
Solid clear wine glass.

Topic; Freedom

I'm so happy screaming freedom, freedom  
I'm finally free thank god. I think I found  
Who I am my mind is free my heart is free  
I am free at last.  
From all the stress  
From all the heartache  
From all the regrets  
From all the hatred  
From all the intimidation  
From all the jealousy.  
She has finally set me free my angle that  
I thought was my enemy but was really  
My true friend indeed when I looked  
And thought back the spirit revealed  
And have let me seen. I'm screaming  
Freedom, freedom, freedom as I walk  
Yes, yes I'm finally free.

Topic: Braking The Rules

Sometimes you have to brake the rules and take your chances nobody is perfect on earth you can follow the rules to the fullest and still be wrong and never be right innocent and still in a sense to being guilty I feel that there are no rules there's only rules that you make for yourself to follow your own path of rules and regulations for which they are postive or nagative its basically half and half mixed of good or bad happy or sad. But be careful if you was to brake the rules and risk your freedom for I will never risk my freedom for stupity make sure when braking the rules that your smart at it always keep the memory in the back of your mind to don't ever get caught braking the rules follow the rules you lay out for yourself or that your use to follow for it may come a change oneday where you will somehow give up and get sick and tired of it make the change and always never look back on the rules you use to know because rules change everyday. The risk and the form of braking the rules got you where you are today sometimes you have to be able to brake them to come out of your shell.

Topic: color

Color,color of art with beautiful

In them. Fourante color of  
Light and darkness it's best to  
Have color then for dull ink  
Of color for an photograph

Special technique.

Topic: commitment

Commitment of being together the promise that  
Was made please don't take it back because it  
Would declare to be a broken promise.  
Commitment wrenches you by the gut  
And throws you into action.  
Commitment heals your fear and doubt  
Because you have no other option.  
Commitment causes your intentions to manifest  
Even if you don't believe they can happen  
Commitment trumps disbelief.  
Because you have no other option  
Whether you believe or whether you don't  
Doesn't really matter anyway.  
If the dam is bursting you're telling everyone  
Whether you believe you can or you can't  
No matter how many people are there  
No matter if they don't listen to you  
No matter what your fears and doubts are  
You're going to tell them the dam is bursting  
Why? Because of commitment which comes by choice  
Which you always have power to access  
No matter your fear, no matter your doubt  
No matter the excuses you have  
No matter how you argue the evidence against  
Or can't see past the impossibility  
Commitment transforms the seemingly impossible  
Into reality right before your eyes  
What you thought you could never do  
What you spent many years avoiding  
A moment passes, a switch gets flipped  
And you surprise the crap out of yourself  
Commitment fuels your soul and drives your purpose  
Commitment can turn your life upside-down  
Commitment is the difference between  
Your dreams becoming reality or being dashed  
Skill, talent, ability, capacity  
Fear, doubt, worry, procrastination

Resistance, obstacles, opposition, naysayers  
Impossibility, disbelief, and never been done  
Are no match for commitment  
Are no match for the choice that is yours  
Commitment wins every time  
Commitment is the trump card in the game of life  
The reason why any dream gets fulfilled  
Is not because of talent or skill  
Or being born in the right place with the right parents  
But because of the committed individual  
Even if you don't know how to do something  
Even if you consider yourself a fool  
And don't know how your goals could ever get done  
Your commitment still wins every time  
With commitment, the answers appear  
The path soon becomes clear  
Through action despite your mistakes  
And Divinity aligns on your side  
Things you didn't know how they could happen  
Seem to occur outside of your hands  
To help you along your path  
People show up, opportunities arise  
That otherwise would not have shown up  
Unless your commitment you had made  
Unless the intention you had set  
To commit to your desired purpose  
So when you want to create something new  
When you have dreams unfulfilled  
Remember the path to achievement  
Comes only by, through and because of  
Commitment.

Topic: Everything Happens For A Reason

Everything happens for a reason  
there's a season and a reason.  
There's a reason why people lie  
a reason why people cry  
a reason why people hurt each other  
a reason why we feel like we hate  
one another everything happens  
for a reason and life's just what you  
make it everything isn't for everyone  
and some people just run from their pain  
some don't know how to just let go  
but I'm here to let the world know  
life's full of obstacles twists and turns  
sometimes like a car accident crash  
and burns life's full of pain, when it rains  
it pours don't let a rainy day keep you  
inside don't let the inside make you hide  
they say life is bad, then you just die  
it's really what you make it live it up,  
or be out of luck life's just what you  
make it, live it like it'll never end  
If you stand for a reason, be prepared  
To stand alone like a tree, and if you  
Fall on the ground, fall like a seed that  
Grows back to fight again.

Topic: evidence

Can you prove the evidence of being  
Cheated on. Evidence is the key of  
Finding out what you need to find  
Out. False facts are highly injurious to  
the progress of science, for they often  
long endure; but false views, if supported  
by some evidence, do little harm, as every  
one takes a salutary pleasure in proving  
their falseness. So you can't state your  
Judgment because you don't have any  
Evidence of what you said.

Topic: Able To Lose To Gain

Sometimes you have to be able to lose something in  
Order to gain from it and for better things to fall into  
Place. When you lose it, it's then time for a new beginning  
Regaining to be started and for the position to be played, for  
You to never look back always keep looking forward  
Stay straight forward. People hate to see you move on  
They don't understand that you been through something.  
Once someone have stepped on your toes or you have  
trouble or a problem with them you shall never look  
Back looking back on the past is like committing a sin  
Its wrongful duress that you don't need to face or deal  
With anymore the bullshit that you already been through before  
That's why you gotta be able to lose in order to gain much and more  
Then you ever had before.

Everything that seem like its good  
Is really not, just accept the fact

Topic: Loyalty

Loyalty is in the eyes of the beholder keep  
The the loyalty alive. He may be six kinds  
Of a liar He may be ten kinds of a fool.  
He may be a wicked high flier Beyond  
any reason or rule. There may be a shadow  
above him Of ruin and woes to impend  
And I may not respect, but I love him,  
Because well, because he's my friend.  
I know he has faults by the billion,  
But his faults are a portion of him,  
I know that his record's vermillion  
And he's far from the sweet Seraphim;  
But he's always been square with yours truly,  
Ready to give or to lend, And if he's wild  
And unruly i like him because he's my friend.  
I criticize him but I do it In just a frank comradely  
key and back biting gossips will rue it if they  
Ever knock him to me. I never make diagrams of him  
No maps of his soul have I penned, I don't analyze  
I just love him, Because well, because he's my friend  
And we both have that confident loyalty.

Topic: Team

There's no I in team, team work  
Makes the dream work its best  
That we work together as a team  
So that our project that were  
Working on can be sealed and  
Completed. It's all very well to  
have courage and skill and it's  
fine to be counted a star, But  
the single deed with its touch  
of thrill doesn't tell the man  
you are; For there's no lone hand  
in the game we play, We must  
work to a bigger scheme, and the  
thing that counts in the world today  
Is, How do you pull with the team?  
They may sound your praise and  
call you great, they may single you  
out for fame, but you must work with  
your running mate or you'll never  
win the game; oh, never the work  
of life is done by the man with a  
selfish dream, for the battle is lost  
or the battle is won by the spirit of  
the team. You may think it fine to be  
praised for skill, but a greater thing to do  
Is to set your mind and set your will  
On the goal that's just in view; It's  
helping your fellowman to score  
When his chances hopeless seem;  
It's forgetting self till the game is  
Won. And fighting for the team  
But in the ending it's always that  
One lucky player that has to suffer.

Topic: The gift

The gift that was given that cannot be  
Cursed by evil, the evil demands try  
To destroy your dreams goals of  
Life. For money, I don't have any,  
And gifts, they don't last long;  
So what can I offer you, That's  
meaningful and strong. The first  
thing that I thought of, Was to  
buy you something cheap; But  
then you would curse me, And  
think I was a creep. For money,  
clothes, and jewelry, These things  
they seem so small; So quickly  
you would lose them, And then  
have nothing at all. So maybe  
this is silly, To give you on this  
night; But giving away a part of  
me, Just makes me feel so right.  
So this year I will give to you,  
The words that fill my soul;  
I hope that they will bless you,  
And may your life be whole.

to steal your heart away from me.  
My hold on life is much too weak  
to sail the sea alone to come to you  
my fragile dreams may be for naught  
my flimsy plans may scatter in the wind  
my face may fade before your eyes  
just as your arms reach out for me in vain  
too soon my life forever shall be gone  
into the depths beneath the waves.
